3000	" "	-	-	-	6-12 in. clumps at	.08	"

Rhododendron catawbiense, Fine Nursery grown Clumps, Mostly Budded

200	-	-	-	-	1-1½ ft.	clumps	at	1.10	"
250	-	-	-	-	1½-2 ft.	clumps	at	1.60	"
200	-	-	-	-	2-3 ft.	clumps	at	2.50	"
80	-	-	-	-	3-4 ft.	clumps	at	4.00	"

2000 Rhododendron maximum, clumps, Nursery grown, (ask for prices).

Not less than 10 plants of a kind or size at above prices.

All the above are transplanted nursery grown stock. Stock balled and burlapped at 8 to 20 cents each according to size. *Rhododendrons can best be sent in car lots.* Your orders should be placed at once, as stock is becoming scarcer daily.

Yours truly,

HARLAN P. KELSEY.
